

**Title**

**Haematuria in the primary care setting: assessment, investigation, management and referral.**

**Overview**

In this session, urological surgeon Dr David Wetherell will go through a practical step-by-step investigation of microscopic and macroscopic haematuria, essential work-ups, and when to refer to a urologist.

Case studies will be used for context.

**Speaker**

*Dr David Wetherell*, Urological Surgeon.

**Learning Outcomes**

By the end of this activity, participants will be able to:

1. Distinguish between transient benign causes of haematuria and underlying malignant urological conditions.
2. Identify the red flags requiring urgent urological referral for patients.

**RACGP**

One CPD Educational Activity hour.

**Registration**

[Register online here](#) for this virtual event or scan the QR code to register.
